

# Pfeiffer Nature Center Eshelman Tract

**Eshelman Loop** - Hike along the creek & up the hill, coming out on top for a great view of the valley, then back into the woods downhill.  
**Moderate to Difficult climb** - round trip 1.47 miles

**Holcomb Trail** - This wooded trail, climbing halfway up the hillside, is a great place to see woodland creatures of all types.  
**Moderate to Difficult climb** - One-way 0.32 mile

**Hill top** - Moving along the crest of the hill through the woods, the forest wildlife abounds.  
**Moderate climb** - One way - 0.34 mile

**Bullhead Run** - Meander through the meadow and by a pond that seems with life just below the surface.  
 Easy walk - 0.26 mile

**Hawthorn Lane** - The successional field is a great place to see plants and animals that like transitional scrub areas.  
 Easy walk - One way - 0.14 mile

**Sugar Run** - See where maple syrup was made generations ago as you hike through the woods to the top of the hill.  
**Modest climb** - One way - 0.22 mile
