

# PFEIFFER NATURE CENTER ANNOUNCES....

## Project Learning Tree Educator Workshop

Tuesday, May 21, 2013 ~ 8:30 AM – 3:00 PM

Pfeiffer Nature Center ~ Lillibridge Pavilion

**What is it?** Project Learning Tree is an award-winning environmental education program designed for teachers and other **educators, parents, and community leaders** working with youth from preschool through grade 12.

The award-winning curriculum resources help over half a million educators teach complex environmental issues. They can be integrated into lesson plans for all grades and subject areas to help students learn how to make sound choices about the environment. The classroom curriculum resources help educators, scout leaders, youth leaders teach tomorrow's decision makers how to think, not what to think about the environment. Project Learning Tree helps empower students and youth to take action to improve the environment at their schools and communities and neighborhood environment based on what they learn in the classroom.

**Why should I attend?** Project Learning Tree educator workshops are open to anyone. The workshop is designed to help you:

- Learn how to incorporate PLT activities into your current and future lesson plans and programming.
- Meet other local professionals interested or already involved in environmental education.
- Become part of a network that offers you follow-up resources and opportunities.
- Learn about environmental education.
- Obtain the curriculum and activity guide, experience individual lessons, learn about additional resources.
- Receive qualified continuing education hours for NYS teachers.
- Enjoy a beautiful outdoor setting for this workshop!

**Space is limited, pre-registration is required, workshop is free.**

Register for the workshop by calling Pfeiffer Nature Center at

716-933-0187 or writing  
naturalist@pfeiffernaturecenter.org .
